The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

AUTHORIZATION TO ENTER INTO CONTRACTS WITH ACT 1 PERSONNEL SERVICES, HELPMATES STAFFING SERVICES, ONSTAFF SERVICES, INC., AND TOP TEMPO/FUTURE PERSONNEL AGENCY, INC., FOR TEMPORARY PERSONNEL SERVICES FOR THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY (ALL DISTRICTS)(3 VOTE)

IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT:

1. Find that these contracts are exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Authorize the Fire Chief or his designee to enter into contracts to provide temporary personnel services on intermittent basis for a three year period with the option to extend an additional two (2) years at an estimated annual cost of \$450,000, commencing upon Board approval.
3. Authorize the Fire Chief or his designee to amend these contracts by way of extensions and rate increases to meet the terms and conditions as set forth above and within the contracts for Temporary Personnel Services.

4. Authorize the Fire Chief or his designee to suspend, and/or terminate these contracts, if deemed necessary, in accordance with the District 's contracts for Temporary Personnel Services.
5. Instruct the Chair to sign the attached contracts which are being submitted in substantial final form, with the attached list of contractors.

PURPOSE OF RECOMMENDED ACTION:

The purpose of these recommended actions is to enable the District to obtain temporary personnel services on a part time or intermittent basis where utilization of permanent County employees is not possible or is impractical.

In addition, the two (2) one-year extensions are subject to include Cost of Living Adjustments (COLA) requests for multi-year service contracts, allowing for increases based upon the CPI or shall not exceed the general salary movement granted to County employees as determined by the Chief Administrative Office as of July 1st for the prior 12-month period. Furthermore, should fiscal circumstance ultimately prevent the Board of Supervisors from approving any increase in County employee salaries, no COLAs will be granted. In order to keep all District facilities operating safe and environmentally healthful, approval of these contracts is needed.

ENVIRONMENTAL DOCUMENTATION:

The services provided through this contract will not have a significant effect on the environment and is therefore exempt from CEQA, pursuant to Section 15061(b)(3) of the CEQA Guidelines.

JUSTIFICATION:

These contracts are needed to meet the service obligations of the District for temporary contract personnel to fill critical work assignments. Examples of positions utilized are secretaries, Data Entry Clerks, Accounting Technicians, Warehouse Workers and other comparable positions.

The positions are used by the District for a variety of reasons including coverage during extended sick and family leave, special projects, emergencies and to meet critical workload demands.

Implementation of Strategic Plan Goals

In accordance with the Strategic Plan Goals of service excellence, fiscal integrity, organizational effectiveness, and workforce excellence, the implementation of these vendors under contract, along with the increased requirements for professionalism and expertise, promote and further enhance the District's goals in the temporary personnel services area.

FISCAL IMPACT/FINANCING:

The estimated annual expenditure of this service is \$450,000. Over the term of the contract, appropriated allocations will be established in our annual budget to meet the anticipated need each fiscal year; however, actual expenditures will only be incurred on an as-needed basis.

The District has allocated funding in the 2003-04 Proposed Budget for these services. Funding required to continue these services will be budgeted annually.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Pursuant to Health and Safety Code Section 13861, your Board is authorized to contract for temporary personnel services to obtain temporary help to assist during any peak workload, temporary absences, or for emergencies other than a labor dispute. Use of temporary help under this Health and Safety Code Section is limited to a period not to exceed ninety (90) days for any single-peak load, temporary absence, or emergency situation.

These positions will be used to provide coverage during extended sick and family leaves, for special projects, emergencies and to meet critical workload demands.

Consistent with prior practices established by the Executive Office/Clerk of the Board, we are recommending that these contracts be awarded to more than one vendor. Prior experience of the District is that it is beneficial to have more than one firm provide service primarily because orders can be filled more quickly, especially when the order involves several contract workers, a single agency may not be able to meet a particular need, and there is continuous availability of personnel services should any vendor experience problems in complying with the terms of the contract.

The Honorable Board of Supervisors
December 1, 2003
Page 4

These contracts contain set hourly rates for the various positions as individually bid by each vendor. A list of the hourly rates for various positions in the recommended contracts that could be utilized, are shown in Attachment 1.

The District has notified SEIU Local 660 about these contracts. In response to union concerns and consistent with Board policy, the District will identify positions on the re-employment list whose job skills match those needed by the District before a contract temporary position is retained. The contract will not be utilized to replace County employees impacted by program curtailments. We will continue to communicate with the employee unions on temporary hiring.

Each of the proposed contracts contains a provision that requires the vendor to give first consideration for any temporary employment opening to qualified permanent employees who are targeted for layoff or qualified former County employees who are on the re-employment list during the life of the contract.

Pursuant to Los Angeles County Code Section 2.121.250, these contracts are not Proposition A contracts because these services are needed on a temporary or intermittent basis and authority to contract is provided by Health and Safety Code Section 13861.

These contracts have been approved by County Counsel and reviewed by the Department of Human Resources.

CONTRACTING PROCESS

In accordance with Board policy, the District solicited proposals for temporary personnel services in twelve newspapers and online on the Los Angeles County web page. (The prospective contracts are subject to the District policy that requires the Child Support Compliance Program, Contractor Responsibility and Debarment Program, and the Contractor Employee Jury Service Program, which were included as requirements in the Request for Proposal.) An evaluation committee consisting of District staff evaluated each of the 13 RFP's submitted. The 13 RFP's were rated by four raters on the following criteria: proposer's experience and capability, ability to implement statement of work, overall project cost and quality control plan. The top four rated vendors were selected as they offer a large pool of qualified candidates, competitive hourly rates, strong management teams, and can provide qualified temporaries for the entire Los Angeles County area. Also we have an existing contract with one of the agencies and they have provided the District with good quality personnel and support services.

The Honorable Board of Supervisors

Community Business Enterprise Program participation information for the four firms is shown in Attachment 2. The proposed contractors were selected without regard to gender, race, creed, or color for award of the contracts.

IMPACT ON CURRENT SERVICES (OR PROJECTS):

The inability to access readily available temporary personnel can have a detrimental impact on the delivery of services by the District. The adoption of these contracts will ensure the District's ability to handle workload uncertainties quickly and efficiently in the performance of critical administrative function.

CONCLUSION:

Upon execution by your Honorable Board, please return two original, certified copies of the adopted Board Letter to Lucy Guadiana, Contracts Section, Consolidated Fire Protection District of Los Angeles County, 1320 N. Eastern Ave, FCCF Room 111, Los Angeles, CA 90063.

Respectfully submitted,

P. MICHAEL FREEMAN

8.7 COMPLIANCE WITH CIVIL RIGHTS LAWS

The Contractor hereby assures that it will comply with Subchapter VII of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical handicap, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. The Contractor shall comply with *Exhibit C - Contractor's EEO Certification*.

8.8 COMPLIANCE WITH THE DISTRICT'S JURY SERVICE PROGRAM

8.8.1 Jury Service Program:

It is the District's policy that this Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

8.8.2 Written Employee Jury Service Policy.

1. Unless Contractor has demonstrated to the District's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a contract with the District or a subcontract with a District Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more District contracts or subcontracts. "Employee" means any California resident who is a full time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the District, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the District under the Contract, the subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into

any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If Contractor is not required to comply with the Jury Service Program when the Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify District if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The District may also require, at any time during the Contract and at its sole discretion, that Contractor demonstrate to the District's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.
4. Contractor's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, District may, in its sole discretion, terminate the Contract and/or bar Contractor from the award of future District contracts for a period of time consistent with the seriousness of the breach.

8.9 CONFLICT OF INTEREST

- 8.9.1 No District employee whose position with the District enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the District's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the District's approval or ongoing evaluation of such work.
- 8.9.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The

Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the District. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances.

**8.10 CONSIDERATION OF HIRING COUNTY EMPLOYEES
TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST**

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give **first consideration** for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

**8.11 CONSIDERATION OF HIRING GAIN/GROW PROGRAM
PARTICIPANTS**

Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

8.12.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the District acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the District may, in addition to other remedies provided in the Contract, debar the Contractor from bidding on District Contracts for a specified period of time not to exceed three (3) years, and terminate any or all existing Contracts the Contractor may have with the District.

8.12.3 Non-responsible Contractor

The District may debar a Contractor if the Board of Supervisors finds, in its discretion, that the Contractor has done any of the following: (1) violated any term of a Contract with the District, (2) committed any act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the District or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the District or any other public entity.

8.12.4 Contractor Hearing Board

If there is evidence that the Contractor may be subject to debarment, the District will notify the Contractor in writing of the evidence that is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.

The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. If the Contractor fails to avail itself of the

opportunity to submit evidence to the Contractor Hearing Board, the Contractor may be deemed to have waived all rights of appeal.

A record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Hearing Board.

Such evaluation will include assessing the Contractor's compliance with all Contract terms and conditions and performance standards. Contractor deficiencies which the District determines are severe or continuing and that may place performance of the Contract in jeopardy if not corrected will be reported to the Board of Supervisors. The report will include improvement/corrective action measures taken by the District and the Contractor. If improvement does not occur consistent with the corrective action measures, the District may terminate this Contract or seek other remedies as specified in this Contract.

The Contractor shall retain all such documentation for all covered employees for the period prescribed by law. The Contractor shall indemnify, defend, and hold harmless, the District, its agents, officers, and employees from employer sanctions and any other liability which may be assessed against the Contractor or the District or both in connection with any alleged violation of any Federal or State statutes or regulations pertaining to the eligibility for employment of any persons performing work under this Contract.

8.20 FACSIMILE REPRESENTATIONS

The District and the Contractor hereby agree to regard facsimile representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Change Notices and Amendments prepared pursuant to Sub-paragraph 8.4, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to Change Notices to this Contract, such that the parties need not follow up facsimile transmissions of such documents with subsequent (non-facsimile)

The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the District and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the District may be found jointly or solely liable.

8.40 SUBCONTRACTING

8.40.1 The requirements of this Contract may not be subcontracted by the Contractor without the advance approval of the District. Any attempt by the Contractor to subcontract without the prior consent of the District may be deemed a material breach of this Contract.

8.40.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the District's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by the District.

- 8.40.3 The Contractor shall indemnify and hold the District harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.
- 8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the District's approval of the Contractor's proposed subcontract.
- 8.40.5 The District's consent to subcontract shall not waive the District's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this District right.
- 8.40.6 The District's Contract Administrator is authorized to act for and on behalf of the District with respect to approval of any subcontract and subcontractor employees.
- 8.40.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the District's consent to subcontract.
- 8.40.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the District from each approved subcontractor. Prior to any subcontractor employee performing any work hereunder, Contractor shall ensure delivery of all such documents to:

8.41 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN CHILD SUPPORT COMPLIANCE

Failure of the Contractor to maintain compliance with the requirements set forth in Sub-paragraph 8.16 - Contractor's Warranty of Adherence to District's Child Support Compliance Program, shall constitute a default by the Contractor under this Contract. Without limiting the rights and remedies available to the District under any other provision of this Contract, failure to cure such default within 90 days of notice by the Los Angeles County Child Support Services Department shall be grounds upon which the Auditor-Controller or the District's Board of Supervisors may terminate this Contract pursuant to Sub-paragraph 8.43 - Termination for Default.

8.42 TERMINATION FOR CONVENIENCE

8.42.1 This Contract may be terminated, by in whole or in part, from time to time, when such action is deemed by the District through its Fire Chief, or his designee, to be in its best interest. Termination of work hereunder shall be effected by delivery to the Contractor of a notice of termination specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the District, the Contractor shall:

- Stop work under this Contract on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 For a period of five (5) years after final settlement under this Contract, the Contractor shall make available to the District, at all reasonable times, all its books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract with respect to the termination of work hereunder. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the District's option, the Contractor shall pay the District for travel, per diem, and

other costs incurred by the District to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.43 TERMINATION FOR DEFAULT

8.43.1 The District through its Fire Chief or his designee, may by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of District's Contract Administrator:

- Contractor has materially breached this Contract;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the District may authorize in writing) after receipt of written notice from the District specifying such failure.

8.43.2 In the event that the District terminates this Contract in whole or in part as provided in Sub-paragraph 8.43.1, the District may procure, upon such terms and in such manner as the District may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the District for any and all excess costs incurred by the District, as determined by the District, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this sub-paragraph.

8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Sub-paragraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes as determined by District may include, but are not limited to: acts of God or of the public enemy, acts of the District in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the

control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Sub-paragraph 8.43.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.43.4 If, after the District has given notice of termination under the provisions of this Sub-paragraph 8.43, it is determined by the District that the Contractor was not in default under the provisions of this Sub-paragraph 8.43, or that the default was excusable under the provisions of Sub-paragraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Sub-paragraph 8.42 - Termination for Convenience.

8.43.5 In the event the District terminates this Contract in its entirety due to the Contractor's default as provided in Sub-paragraph 8.43.1, the Contractor and the District agree that the District will have actual damages, which are extremely difficult to calculate and impracticable to fix and which will include, but are not limited to, the District's costs of procurement of replacement services and costs incurred due to delays in procuring such services. Therefore, the Contractor and the District agree that the District shall, at its sole option and in lieu of the provisions of Sub-paragraph 8.43.2, be entitled to liquidated damages from the Contractor, pursuant to California Civil Code Section 1671, in the amount of Five Thousand Dollars (\$5,000) or five percent (5%) of the applicable year's Contract sum, whichever is less, as equitable compensation to the County for such actual damages. This amount of liquidated damages shall be either paid by the Contractor to the District by cash payment upon demand or, at the sole discretion of the District, or designee, deducted from any amounts due to the Contractor by the District, whether under this Contract or otherwise.

These liquidated damages shall be in addition to any credits, which the District is otherwise entitled to under this Contract, and the Contractor's payment of these liquidated damages shall not in any way change, or affect the provisions of Sub-paragraph 8.24 - Indemnification.

- 8.43.6 The rights and remedies of the District provided in this Sub-paragraph 8.43 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.44 TERMINATION FOR IMPROPER CONSIDERATION

- 8.44.1 The District may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the District shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the District Contract Director who will then notify the manager/supervisor charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861.

- 8.44.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.45 TERMINATION FOR INSOLVENCY

- 8.45.1 The District may terminate this Contract forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of

business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.45.2 The rights and remedies of the District provided in this Sub-paragraph 8.45 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.46 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

It is the District policy that the Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the District may in its sole discretion, immediately terminate or suspend this Contract.

8.47 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the District shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the District's future fiscal years unless and until the District's Board of Supervisors appropriates funds for this Contract in the District's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The District shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.48 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.49 WAIVER

No waiver by the District of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the District to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 WARRANTY AGAINST CONTINGENT FEES

8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.50.2 For breach of this warranty, the District shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

IN WITNESS WHEREOF, Contractor has executed this Contract, or caused it to be duly executed and the Consolidated Fire Protection District of Los Angeles County, by order of its governing body the Board of Supervisors has caused this Contract to be executed on its behalf by the Chair of said Board and attested by the Executive Officer-Clerk of the Board of Supervisors thereof, the day and year first above written.
